

Razvan-Andrei Morariu

Department of Statistics and Operations Research
University of Vienna
Oskar-Morgenstern-Platz 1
1090 Vienna, Austria

EDUCATION

Praedoc in Mathematical Statistics

University of Vienna, 2024 - Present
Statistical methods group
Supervisor: Prof. Tatyana Krivobokova

MSc in Data Science

University of Vienna, 2022 - 2024
Grade: 1.26

BSc in Mathematics

University Alexandru Ioan Cuza, Iasi, Romania, 2019 - 2022
Grade: 10/10

EXPERIENCE

Intern

Complexity Science Hub Vienna, June 2023 - August 2023
Machine learning on graphs with missing data

Data Scientist

Brandweb, Iasi, May 2021 - September 2021
Machine learning, Data analysis

AWARDS

Romanian National Mathematics Olympiad

3 bronze medals and 3 silver medals, 2011 - 2018

International Mathematics Competition (IMC)

3 Merit awards, Bulgaria, China, India, 2013 - 2017

Romanian National Contest for Students *Traian Lalescu*

Mention of honor, 2021

PROJECTS

Research Supervisor at the *MATh.en.JEANS* International Congress

2022 - Present
Supervising research projects for high school students

COMPUTER SKILLS

R, Python, C++, Octave, SQL, \LaTeX
